GIN

0,03 l

Monkey 47

10,00 €

Named in honor of Max the monkey from Berlin ZOO, who was sponsored by the founder. Monkey 47 is an unusual and evocative dry gin! There are 47 ingredients that found their way into the Monkey 47. Don't just try it when you come across it, seek it out as if you haven't tasted it yet.

Old Pilot's Dry Gin

9,00 €

Exquisite London Dry Gin, is distilled with selected, all-natural Croatian botanicals such as juniper, orange, lavender, sage, angelica and olive leaves. Each bottle is carefully handcrafted and matured. Awarded best Croatian gin.

Gin Mare

9,00 €

Gin Mare makes an excellent gin and tonic combination. Refreshingly summery, as if someone has captured the Mediterranean in a bottle.

Ukiyo Japanese Blossom Gin

9,00 €

Ukiyo means 'floating world' and symbolises living in the here and now. It has classic juniper notes, and woody herbaceousness of cherry blossom and the citrusy zest of yuzu. The base spirit is made from distilled shochu, and then redistilled with other aromatics.

Tanqueray No.10

8,00 €

Tanqueray No.10 is the only gin distilled with handpicked whole fresh fruit and botanicals including white grapefruits, oranges and limes along with gin's signature juniper and coriander and a hint of chamomile. In order to make an ultra-pure, ultra-flavoured spirit, Tanqueray No.10 is distilled in a small batch called Tiny Ten.

The Artisan

8,00 €

Croatian gin takes its inspiration from the Croatian countryside. The Artisan carefully selected 14 different botanicals from Croatia. The aroma of The Artisan gin is a complex, subtle blend of fresh citrus notes, which are balanced by mild spice and floral notes

Hendrick's

7,50 €

Hendrick's includes a unique signature of flowers, roots, fruits and seeds from all over the world to complement and set the stage for a delicious duet of infusion: rose petals and cucumber!

Bombay Sapphire

7,50 €

Bombay Sapphire hints at gin's popularity in India during the days of British Raj. Bombay Sapphire gin is one of the classiest and most elegant and complex gins of all. Bombay Sapphire is a more floral gin, with a liquorice and cinnamon aftertaste, refreshing and ideal in a gin & tonic.

The Botanist

7,50 €

Rich and mellow, cool on entry then warming across the palate, stimulating the taste buds with a round mouthfeel and citrus freshness. Sweet and earthy notes combine with the delicate floral and herbal notes of the Islay 22. Each sip reveals deeper layers and more complex combinations of delicate flavours.

Beefeater

6,00 €

Beefeater is one of the finest gins of the nineteenth century that we are still drinking today. It is one of the world's best selling and the most iconic gins. Beefeater is an exceptionally clean, bold gin whose extravagant juniper character is balanced with strong citrus notes.
